

Ayor, manufacturer of plumbing, heating and sanitary ranges and complete solutions to decorate your bathroom, offer you a complete range of anti-virus products allowing you to stay safe during your business activities.

As you can see below, in addition to our masques FFP1 or FFP2, we also offer blouses, gloves, over-shoes, gel, everything an installer, colleague may need to protect him or herself and others in, at least, the weeks to come.

Our Chinese partner factory with their medical branche has been producing for over 10 years 400.000 masques per day. This collaboration has allowed us to source the anti-virus range below hat we propose to our customers, distributor & installers at quoted triple net prices. Of course everyone can benefit from this offer that is easy to order and available now !

NB : For big quantities (over 10 000 pcs) we can make a special offer (lead time will be 30 days). New customers :
payment condition 45 days end of the month from date of invoice and an advance payment of 30% of the total order value. We send you our bank details for initial payment upon receipt of your order on our mail address: commande@ayor.fr
